### New Health Insurance Products available to Employers

Blue Cross Blue Shield of Georgia (BCBSGa) has been busy creating new products! Much needed choices have been developed and are now available through the *MemberCare Alliance* program sponsored by the Chamber of Commerce.

A new product called Employee Elect allows each of your employees to select the best plan for their situation from as many as 30 different plan options. This benefit program can help employers to stabilize their costs while giving each employee more control over what they want.

Another product, Blue Essentials, was designed specifically for businesses that want to offer coverage for their employees but struggle with the cost. Blue Essentials plans provide less benefits than BCBSGa's standard plans but at are very reasonably priced.

And remember, all of BCBSGa's plans are available at reduced premium rates to eligible business members of our Chamber of Commerce!

Using the group "buying power" of the *MemberCare Alliance of Laurens County<sup>SM</sup>*, we are part of a statewide network of over 120 Chambers of Commerce offering discounted insurance products to Chamber member businesses. The *MemberCare Alliance of Laurens County* program includes a variety of discounted insurance products, such as: group term, voluntary and dependent life insurance, group health insurance, long term and short term disability, accidental death and dismemberment, long term care and dental insurance. All these products are available through participating Chamber-member insurance agents.

For more information on any of these insurance offerings, please call the Chamber, one of your participating Chamber-member insurance agents, or Purchasing Alliance Solutions, Inc., (the company that developed *MemberCare Alliance of Laurens County* program) at 770-579-1214 or 1-800-782-8254 ext. 3512.

Dear Chamber Ladies,

Thank you all so much for the tremendous support you have shown Alisia and I. As our flower shop continues to grow, we look forward to a great relationship with the Chamber. All of your hard work is most definitely noticed and appreciated. We are honored to be chosen as your Small Business of the Year and are thankful for such a supportive community.

Love,  
Alisia, Ashley, and Lola Goff  
aka The Bella Girls  
Bella Event Flowers

Please convey our thanks to the staff for the use of the scissors.

As ever,  
Bettye & The Buckeye Church Family

Dear Ms. Dixon,

Simple words cannot begin to express my deepest appreciation and humblest thanks to you and the Chamber of Commerce for \$50 Shop at Home Merchant Checks you presented to me as Teacher of the Year for Laurens County School System. It was one of my happiest personal and professional days. The dedication and commitment to learning that all teachers have who were honored that day, expressed in their work and their love of teaching, made every one of us proud to be part of the service to our young people and to our community.

The commitment you, as the Chair of the business community membership, have made to our young people, through your generosity to us as teachers, reinforces the bridge between school and community. It is that bridge that communicates a bond of understanding, a balance between the raising of a child to his maturation in society. The support of businesses, professions, and industries brings awareness to this generation that the bridge will carry them through. They may find jobs in those areas and begin to contribute in the same way that you have. What a message that carries!

Thank you again. I am so humbly grateful.

Sincerely,

Jessica Chase  
B.S., M.Ed., Ed.S., Gifted Endorsement, National Board Certified  
Department Chair, Science Department  
Gifted Coordinator, West Laurens High School

Thank you for your time, energy, and dedication you devoted to helping Laurens County become a Certified Work Ready Community. This could not have been achieved without YOU!

Laurens County is now a Work Ready Certified Community. There are only six counties in the state that have received this distinction and we were successful because of the many people we were working together to make Laurens County a very special place in Georgia. This certification will provide the Laurens County community and this region with competitive advantage across the state as we compete for growth and economic development. We now have documented proof that Laurens County has a skilled and trainable, certified workforce that can meet the needs of business/industry growth as well as other economic challenges.

Thank you for your commitment to make this happen.

Jep Craig,  
Laurens County Team Leader  
Vice President of Economic Development,  
Heart of Georgia Technical College

Dear Willie,

Thank you so much for sharing with us at our Wednesday night supper. It's great to be a part of a community with loving leaders and neighbors like you!

In Christ,  
Steve Patton  
Pastor, Pine Forest United Methodist Church

Willie,

Thank you so much for participating on the panel of community leaders at our February LYL program. Year after year our "community profile" program is very well received by our youth and this year is no exception. The students enjoy the interactive discussion and value the opportunity to voice their concerns. Thank you for your continued support of Laurens Youth Leadership.

Always,  
Kathy Allgood  
Laurens Youth Leadership

Dear Willie,

Thank you for the continued support from the Chamber for the GOAL program here at Heart of Georgia Technical College. What a great job the Rotary judges did in selecting the winner. What a difficult job they had! I appreciate all the Chamber does for HGTC! Thanks again!

Sincerely,  
Janet Smith, GOAL Coordinator

# Customer Service Seminars

The Chamber hosted “My Pleasure Customer Service Training” on January 29th at the McGrath Keen Sr. Conference Center. Ellen Hester a.k.a. The Enthusiastigator, motivated the participants to excel in customer service. Ellen Hester, a consultant from Monroe, Georgia, uses stories, activities, props, and humor to share her message. Be sure to look out for future seminars!!!

## Testimony

*“They all came back with glowing reports about what they learned and how much they enjoyed the opportunity to attend. One employee stated that she has attended numerous seminars of this type and felt this one was the best. We appreciate the efforts of the Chamber in helping improve businesses in our area and hope you will continue to offer seminars of this type.”*
